Revised at 83rd AIM-HI Administration Meeting on May 25, 2018
Revised at The committee for University Administration Fund Meeting on June 26, 2018

1. Advanced Institute of Manufacturing with High-tech Innovations (hereinafter AIM-HI) at National Chung Cheng University (hereinafter the University) hereby formulate the following regulations to enact the provisions for outstanding international postgraduate students with academic merits to study in the fields related to the Advanced Institute of Manufacturing with High-tech Innovations at the University.
2. The source of the scholarship is as follows:
 - (1) Grant from “The Featured Areas Research Center Program within the framework of the Higher Education Sprout Project by the Ministry of Education (MOE) in Taiwan”.
 - (2) Subsidy from the Ministry of Education or other units.
3. Eligible Recipients of AIM-HI Scholarship Award
An applicant must meet all of the following criteria:
 - (1) Applicants must qualify as international students as stipulated in Article 2 of National Chung Cheng University Provisions for the Admission of Foreign Students.
 - (2) Applicants must be enrolled as full-time international students, working toward degrees or certificates (including transnational joint degrees) in an eligible University department or program.
 - (3) Applicants must be international graduate students, in the process of applying for or already enrolled in the University to study in the department or program related to advanced institute of manufacturing with High-tech Innovations.
4. Criteria of Eligibility for AIM-HI Scholarship Award:
 - (1) Incoming international doctoral students: Applicants must apply for PhD admission to the University (excluding applicants from Mainland China, Hong Kong, and Macau).
 - (2) Enrolled international students: Applicants must maintain satisfactory academic progress to remain eligible for financial aid according to the following guidelines. Enrolled applicants are hereinafter referred to as “enrolled international students”.
 - A. Applicants must be enrolled as full-time students.
 - B. Graduate students must complete at least four credits hours with a grade point average (GPA) over 75 in the previous semester. Graduate students writing theses/dissertation who do not have a GPA from the previous semester, must provide recommendation letters from advisors, and list their research accomplishments (including thesis proposals and published papers).
 - C. Students must have acceptable moral conduct records, with no recorded offenses/misdemeanors.
 - (3) Exchange students approved for study must comply with the provisions of the Institute scholarship for application, on the principle of reciprocal favored treatment. If an exchange student skips more than one month of classes, the scholarship award will be terminated.

- (4) The recipients of the AIM-HI scholarships cannot be awarded with the full provisions of the following scholarships or financial aid concurrently:
- A. Scholarships funded by Taiwanese governmental agencies.
 - B. Additionally full scholarships or financial aid from the University which is equal to or more than the scholarship herein.

If an additional scholarship is approved, the scholarship herein shall be terminated and the overlapping scholarship awards must be returned.

5. Details of AIM-HI Scholarship Awards

- (1) Each recipient will be awarded with either full or partial awards of the followings:
- A. Tuition and payment of academic fees, including credit fee. Upon validation of tuition and above fees, AIM-HI awards each recipient per semester up to NTD40,000. If the total amount of these fees should exceed NTD40,000, the remainder of all costs shall be covered by the recipient. Tuition and academic fees do not include any of the following: administration fees, thesis advising fees, insurance premiums, accommodation, Internet access, all of which are payable by the recipients.
 - B. Subsistence allowance: AIM-HI offers a maximum monthly stipend of NTD15,000 for the doctoral students and a maximum monthly stipend of NTD8,000 for master students.
- (2) AIM-HI Scholarship begin from the month of the recipients' registration at the University and end when the award period expires or upon the recipients' graduation, withdrawal, suspension, expulsion, or revocation of the scholarship. The maximum period of each scholarship is two years for master programs, and four years for doctoral programs. The maximum length of the total awards for recipient undertaking a combination master and doctoral studies is five years.
- (3) To encourage each faculty mentor to provide mentorship to each international student accepted, the faculty mentor will be awarded with a maximum of 40,000 NTD for academic, research operating expenses per each international student mentored.
- (4) Quotas for scholarships offer by AIM-HI are contingent upon the annual budget of AIM-HI program. If there is no planned budget for this program, this regulation will be terminated.
